#### Time Schedule of Work:

Date of Start: \_\_\_\_\_ Completion Date: \_\_\_\_\_

**Upper Yoder Township must be notified when work is completed. Applicant must use PADOT approved traffic control safety procedures for all work within the Township rights-of-way. Failure to comply shall be grounds for revocation of this permit.**

**NO PAVER BRICK, CONCRETE OR OTHER DECORATIVE STONE SHALL BE CONSTRUCTED WITHIN THREE (3) FEET FROM A TOWNSHIP ROADWAY THAT WOULD INTERFERE WITH DRAINAGE OR CAUSE TOWNSHIP EQUIPMENT TO BE DAMAGED DURING SNOW REMOVAL OR STREET CLEANING.**

The area between the edge of the pavement and the public right-of-way line shall remain clear of all fences, pillars, walls, chains, pipes, bumps, sales exhibits, business signs, lawn decorations, service equipment, gates, railroad ties, stairs, private sidewalks, walkways, or other similar items or structures not approved, excluding traffic signs.

No storm water or ground water from foundations, roofs or surface drainage systems, or other similar items, shall flow or discharge onto the public right-of-way at a detrimental rate or cause a hazard, erosion, or other public nuisance.

Property owner is responsible for the flow of surface water created by the installation of driveway that is directed to their property or any adjacent property.

You are responsible for complying with the requirements of this permit and the ordinances of Upper Yoder Township.

Fee: \$ 5.00
